

The Hitting Chain

Roya & Rayna's Swing Poster

Stay smooth, relaxed, and let each move prepare the next one.

1

Grip

Shake hands with the bat.

Loose hands, fast bat.

2

Stance

Balanced like an infielder.

Ready feet, quiet head.

3

Negative Move (Load)

Pull back the slingshot.

Load slow, swing fast.

4

Positive Move (Stride)

Short, soft step.

Small step, big power.

5

Rotational Phase

Hips lead the chain.

Hips fire, hands follow.

6

Finish

Extend, then wrap.

Strong finish, steady feet.

Daily Reminder

Grip → Stance → Load → Stride → Rotate & Connect → Extend & Finish.

Light grip = fast bat.

Hips fire, hands follow.

Praise effort first. Tweak one thing.
